

NEW in January

Children's program registration forms must now be completed online. You may still register for programs at the library or by phone; however we will no longer have paper registration forms. To register for children's programs you must be a Sharon resident and have a Sharon library card in good standing.

To register:

1. Go to www.sharonpubliclibrary.org and select "Calendar" from the links at the top of the web page.
2. Find the program for which you are registering, then select the "Register" icon. Enter your library card number and pin (ocln).
3. Fill out the registration form and select "Send" at the bottom of the page. Depending on a program's capacity you will immediately be notified that you are registered, waitlisted or declined.

We still ask that you cancel your registration if you are unable to attend a program.

To cancel a registration:

1. At the top left of the "Calendar of Events" web page select the "My Registrations" link. Enter your library card number and pin (ocln).
2. A list of your program registrations will open in another window. To the right of each of your registrations there is a "Cancel" button. Find the program you cannot attend and select "Cancel."
